NAIOP PAC Fundraiser

Special Guest Mayor Ed Murray

NAIOP Washington State is the leading advocacy organization in our state dedicated to creating a favorable climate for commercial real estate. We are committed to responsibly advancing public policy to support the long-term economic, environmental and demographic vitality of our region.

Our organization spends significant resources each year to ensure our members have an effective voice before policymakers in Olympia and at Seattle City Hall. In 2015, NAIOP Washington's PAC spent more than \$90,000 to combat the anti-development tide and support candidates and issues that align with our mission and business-focused agenda.

Your support helps strengthen our impact and ensure responsible and balanced development practices in the Puget Sound region.

Please join us for hosted appetizers, beer/wine and conversation with our special guest Seattle Mayor Ed Murray.
